CARRANBALLAC P-9 COLLEGE

2018

Carranballac P-9 College provides several opportunities to keep you up to date and engaged in College events, student achievements, and general information.

Classroom Teachers

Your child's Classroom Teacher is a valuable source of information and resources should you wish to know anything about excursions, incursions, your child's progress, and wellbeing. Teachers are often available to speak with before or after school. On occasion, appointments may need to be made.

Carranballac P-9 College Website

www.carranballac.vic.edu.au

The Carranballac College website contains information on College Events Calendar, Curriculum, Outside School Hours Care, Corker, Term Dates, and access to the Google Translator. The College website is frequently updated with news and events, and we encourage families to check this resource regularly.

Compass

<https://carranballac-vic.compass.education/login.aspx>

Parents may access the Compass website or download the Compass App for their smart phone, to view their child's attendance, reports, and sickbay information. You will be provided login details once your child's enrolment is active. You may access the Compass website by clicking on the Compass logo via the College website or typing the link above, into your browser.

School Assembly

College Assemblies are divided between Primary and Secondary students and are held every Friday afternoon from 2:15pm. Assemblies celebrate student achievements, House Points, Word of the Week, Birthdays, and special announcements. Students sing the College Song and the National Anthem. School Assemblies have a high level of student involvement. Whole School assemblies are held three times each term. Parents are welcome to attend.

Student Learning Conferences (SLC)

Throughout the year, Parents are invited to attend Student Learning Conferences (SLC) with your child's teacher to discuss the Individual Learning Plan (ILP) constructed for your child. SLC's are a chance to discuss curriculum, your child's progress, and classroom inquiry topics.

Parent Forums

Parent Forums are an opportunity to submit questions to the College around matters that you may like to have more information on. Parent Forums are advertised on the College Website, Compass, and Newsletters. Forums are structured with a Question & Answer time, with Key Speakers addressing specific topics that are important to the College.
