In our unique, innovative and growing community we develop a passion for life long learning so that students achieve individual excellence and are confident, capable, respected citizens of our local and global communities.

Every Minute Counts!
Dear Parents and Carranballac Community Members

Boardwalk Wakakirri rehearsal took place this morning and was reportedly a fabulous dress rehearsal. Chookas to our Wakakirri team for Monday 22 August.

I would like to pass on my congratulations to both our Parents and Friends team and our Foundation – Year 6 students for an excellent College disco. Thanks also goes to the staff helpers who assisted with general supervision and behind the counter food handling.

It was a fun night in with an enjoyable atmosphere. I am now looking forward to the P and F Trivia night on the Saturday 27 August. Have you booked your table yet?

Special thanks goes to our Green Gang, Rock Band, Soundhouse choir and staff who attended the Arndell Community centre last Saturday. The feedback I have received is that our College was proudly and expertly represented once again.

First Aid Management: Currently our First Aid staff call all families for any first aid incident that takes place. We have undertaken a review of this process and will be implementing a new strategy to inform families from the commencement of term four. The intention is to provide all families with access to our new communication system (COMPASS) through an APP. This will work on all phones. We will provide everyone with specific advice towards the end of the term. This improvement will be far more effective for everyone involved.

FOPA - Festival of Performing Arts: Jamieson Way gym was once again transformed into a professional staged environment last week and schools from both Wyndham and Hobson’s Bay came to perform. Carranballac College put on an excellent event under the expert guidance of Gaye Edmonds. We need to be very proud of our College’s ability to both perform and to also host such significant events as FOPA.

FOPA was complimented by FOVA (Festival of Visual Arts) held at the town centre. In the same manner the College provided access to a range of students and schools in order for your children’s art work to be displayed publicly and to be acknowledged. Well done Gaye and supporters.

Camps are on this week and over the next two weeks. I take this opportunity to thank families for supporting these outdoor education learning opportunities for their children. You may notice that your child is both tired and also a little more grown up after the experience. Please take the time to share with them the highlights of their adventure.

Boardwalk School Report

Our HERO program (Here Every day On- Time) continues to gain momentum with the attendance and punctuality of students being recognised and acknowledged. Congratulations to those students who have received an award as a college ‘HERO’ and a huge thank you to Samantha Bourke who has made over 100 Hero capes for our prize winners to proudly wear. Whilst the HERO program is a light-hearted and positive way to promote attendance, this initiative is based on the knowledge that 100% attendance will optimise the learning outcomes for our students.

I extend a warm welcome to Mr Villani who is acting as Middle Years Assistant Principal at Boardwalk whilst Mrs Doyle enjoys some long service leave.

Congratulations to our magnificent Parents and Friends who held a very successful disco last Friday night. This was an excellent event and very well attended. Another example of the commitment and support we enjoy in our college community. Don’t forget to book your tickets for the Trivia night which will be held on Saturday 27 August.

Our Year 3 and 4 students headed off to Angelsea camp on Wednesday. Let’s hope this beautiful sunshine continues for the week.

Thank you to Ms Huell and her pre-service teachers for organising our College athletics team to compete at the VU track in Werribee last week. All our Year 3-6 students who attended are to be commended on their overall effort and sportsmanship.

I recommend to you the Compass program. This program is for 10-14 year olds and is designed to enhance the development of the individual child by setting their own challenging activities and learning of new skills. It is modelled on The Duke of Edinburgh's International Award and comprises four levels across four sections.

Mr Beiers is coordinating this program this year and students will begin their personalized challenges via organizing, planning and completing a hobby, recreational activity, adventure activity and community volunteering.

Breakfast club continues to operate on Tuesdays and Fridays and is coordinated by committed and enthusiastic Year 9 students. My personal thanks to the many teachers who also come along on these mornings to help out.

Jamieson Way School Report

Our amazing Year 3/4 students walked, climbed, jumped, paddled, ran, laughed, talked, questioned, explained, played, listened and learnt their way through three fabulous days at Camp Wilkin. We can be very proud of the growth in their personal development especially for those students who were on their very first camp. Well done!

Thank you to our wonderful staff who ensured our students made the most of every experience.

The excitement is building for our next camp - the Year 5/6 Goldfields camp, with one group touring next week and the second group travelling the week after.

Conversations with our Year 9 students at the moment are all around their course selections for Year 10 at Point Cook Senior Secondary. Many of our parents took advantage of the offer from PCSS staff to join their children in individual advice sessions on site at Jamieson Way. Our Year 9 classes are very focussed on ensuring they are prepared for the start of their final stage of schooling.

We are very proud that a group of our student leaders will be representing our college community this Thursday at The Shrine of Remembrance for the 50th anniversary of The Battle of Long Tan on Vietnam Veterans Day. This is a significant occasion to honour such bravery and we trust this will be a valued lifelong memory for these students.

The Premier's Reading Challenge is drawing to a close. Our college librarians ask for all lists to be handed in to the library by Sept 5.

Will your child be a HERO this week??

Congratulations to all of our award winners this fortnight!
The newsletter is a major communication tool for parents to keep up to date with important information, events, happenings and student celebrations.

Did you know that you can subscribe to our College Newsletter?

Go to the College Website www.carranballac.vic.edu.au, under the Calendar on the right hand side, click “Subscribe”, complete your details and click “Save”. You will receive an email notification each fortnight with a link to the newsletter page of our website.

Our aim is for all parents to receive the newsletter electronically. This will cut down on hardcopy productions costs so funds can be re-distributed directly to student resources.

Parents if you subscribe to the Newsletter by the end of Term 3, you will go into a draw to win an ASUS Windows 10 Notebook.

We encourage you to subscribe!!
Kids Teaching Kids is a program whereby all students at the College celebrate Science Week each year. Each class invites another class to attend a workshop, performance or activity which is based around environmental science.

We celebrate Science Week in Kids Teaching Kids Week from Monday 5 September to Friday 9 September.

The College also hosts the KTK Western Region Conference on site during that week whereby other schools join us and take part in workshops. In 2016, Year 7 will assist with organisation at Boardwalk School on Wednesday 7 September and Year 5/6 classes conduct the second day of that conference at Jamieson Way School, on Thursday 8 September. Finally a selected group of students will represent us at the Melbourne Water KTK Conference on Monday 24 and Tuesday 25 October at Melbourne University.

Sponsor for KTK week 2016 is the Department of Environment, Land, Water & Planning.
The Wyndham Learning Festival Working Group invites you to the Opening Night of the inaugural Festival. Proudly sponsored by Avalon Airport.

We are very excited to launch the first ever Learning Festival in the City of Wyndham. This festival is highlighting the breadth of opportunities and benefits of lifelong learning in our community.

Well done to those students who have already completed the Victorian Premier’s Reading Challenge. The Challenge ends shortly so if you are not yet finished, keep reading!

The College has a good selection of Reading Challenge books for all levels, available for borrowing from our Libraries. Look for the books with the colour coded Victorian Premiers Reading Challenge labels and you will know these are part of the challenge booklist.

The colour coding is as follows:

<table>
<thead>
<tr>
<th>Prep – 2</th>
<th>Year 3 – 4</th>
<th>Year 5 – 6</th>
<th>Year 7 – 8</th>
<th>Year 9 - 10</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Yellow</strong></td>
<td><strong>Green</strong></td>
<td><strong>Pink/Purple</strong></td>
<td><strong>Orange</strong></td>
<td><strong>Blue</strong></td>
</tr>
</tbody>
</table>

Participating students please send your reading record sheets to your Library regularly so that your progress can be recorded.

*Reading records need to be completed and given to Library staff by Wednesday 31 August to allow time for all data to be entered. The challenge officially ends on Friday 9 September*

Laura - "Amazing book!!! We received our copy this week & even just after the 1st reading my son felt calmer & in a better frame of mind to be able to handle his anxiety at school...he is reading the book daily to me now. Such a simple, kid friendly way of explaining such a common issue amongst kiddies...thank you Tanya. XX"

Colette - "My mother in law purchased this book and it's been wonderful. It helped my 6yr old talk to us about her anxiety of school. She went from pulling at me and screaming every day to simply dropping her off by the gate. I recommend this to everyone. A valuable resource."

Monique - "Just got our copy today - amazing - I have a 9yr old with anxiety - she was happy that someone 'got it' - love it. Will be ordering another copy for her school too! Thanks Tanya."

Hayley - "Just ordered another copy for my stepdaughter to have at her other home. Her sleeping has improved and her communication too! We need a copy on hand in both homes!"

When does normal teenage behaviour become something you really need to worry about? In this seminar When to Really Worry by Dr Michael Carr-Gregg, he will help you find out. In this insightful evening, one of Australia’s leading authorities on child and adolescent mental health, Dr Michael Carr-Gregg, offers practical, easy to understand information on how to figure out if your son or daughter is travelling okay. He discusses the signs and symptoms of the high prevalence disorders of anxiety and depression. Michael also includes tips on detecting early warning signs encouraging your child to visit a doctor, finding a youth-friendly GP, counsellor or therapist, navigating the public mental health system. When to Really Worry is an essential night for all parents, teachers, coaches who want to build happy and resilient young people.

Not to be missed!

Dr Michael Carr-Gregg works as a nationally registered child and adolescent psychologist. He is passionate about delivering evidence based psychology workshops and seminars that make a difference to the health and wellbeing of young people. His training and approach incorporates cognitive behavioural therapy (CBT), Acceptance and Commitment Therapy (ACT), mindfulness skills and interventions drawn from positive psychology research. He is a founding member of the National Centre Against Bullying and Chairs their Cybersafety Committee. In October 2010 - he was appointed the official advisor to the Queensland government on cybersafety. He is a Director of the The Young and Well Cooperative Research Centre, an Australian Government Initiative administered by the Department of Innovation, Industry, Science and Research. Michael Carr-Gregg has extensive experience in the media and is currently a regular on the top rating ‘Sunrise’ program on Channel 7 and on Melbourne radio 3AW and is a frequent contributor to the Australian Print media.
FOPA
The highlight of the performance calendar for our college is the annual Festival Of Performing Arts. This event celebrated its 28\(^{th}\) year and it is the fourth year it has been hosted at the Jamieson Way campus. Twenty five schools performed in a series of concerts in the morning and afternoon of Tuesday, Wednesday and Thursday last week.

My sincere thanks to Barry Davies who controlled the audio requirements for each school and to a band of Pre Service Teachers who helped out during the week.

Our college was wonderfully represented at the Arndell Park Community Centre community day last Saturday 13 August. Soundhouse Singers entertained, along with our Junior Rock Band and also Minor Sensation. A huge thanks to Alex Colston-Ing for her support and the wonderful parents who came along.

FOVA
Our annual Festival Of Visual Arts at the Point Cook Town Centre concluded on the weekend. I hope you were able to view the wonderful artwork of our students.

My sincere thanks to Ms Peric who arranged the student work from our college and thank you to the other eleven local schools who also participated.

PROJECT:
Fit for the Future

- Build a fitter and healthier school community
- Sustainable fitness solution
- Foster quality and innovative physical activity programs in school
- Facilitate a school environment that is conducive to active learning
- Cleaner and healthier environment for the future

The purposes of this project is to provide a dedicated fitness circuit around the school oval at our Jamieson Way Campus. Carranballac College has a whole school commitment to physical activity across both campuses with a focus on physical education and sport. In an age where children are spending more time sitting down, a selection of fitness stations where children need to use strength to climb, push and pull their own body weight is a useful conjunct to playground equipment that is both safe and effective.
