Dear Parents and Carranballac Community Members

As each week goes by at Carranballac we learn more about our community and the willingness of some to be incredibly strong supporters of our College.

Last Saturday the Parents and Friends conducted the College Trivia Night. 310 people attended to participate, one hundred and twenty eight companies donated items to auction or raffle, over $13,000.00 was raised on the evening (which does not include the ticket sales) and this was all achieved by a core band of nine parents. Melissa Turner was the chair of the committee. All committee members are listed in the parents and friends report later in the newsletter.

The evening was nothing short of amazing. The entertainment level was of an extremely high standard and all from local talent (band, compere's, question, quizzes etc), the set up of the Jamieson Way gym was welcoming and perfectly suitable for this event (power point display, external personalised lighting, electronic score board, sound system, table setup, heating), the range of activities provided; supporting the trivia quiz, were engaging and inviting and the list goes on.

It is hard to imagine and even more difficult to quantify the amount of time spent in the lead up to the event and the time consumed on the weekend. I sincerely hope that the broader community appreciates the enormous dedication that our parents and friends demonstrate on a regular basis in order to improve Carranballac College for your children. Finally one needs to recognise that this equates to a major event in terms of organisation when one considers the planning and marketing.

I would also like to thank our staff for their strengthening community connectedness - over fifty staff attended the event and blended beautifully with the great community.

This week is also Parent's and Friends Father's Day stall week. Two days of selling took place on Monday and Tuesday at Boardwalk and two more this Thursday and Friday at Jamieson Way. Once again if we think about the enormity of preparation involved pre ordering, collection, pricing, preparing and setting up and then to provide an 'across the counter service' for four days, the workload is huge. Liz Whiffin has been chair of this team with many other parents in support. $2,500.00 was taken over the counter at Boardwalk this week. Once again a sensational parents and friends achievement.

Rocktober is coming up and you will soon see display boards outside the College and receive newsletter information. Come along and thank the parents and friends team personally as they certainly deserve to be commended. If you are dropping off your child or picking them up, take the time to find out who they are and acknowledge the great work they do for our community.

This core group of parents are also displaying to the rest of our community their appreciation for education and the value they see in what Carranballac has to offer. They are role modelling to their children the essential values of a vibrant community and the development of a sound work ethic. Their work is at the heart of being a responsible parent.

We have a most successful HERO program at the College for students. My HERO's; in the community, are our parents and friends team - Thankyou for your energy, commitment, engagement, generosity and connectedness to our College.

Boardwalk School Report

Congratulations to our ‘Year 5/6 Wakakiri Team’, Ms Edmonds, staff, parents, students and all stakeholders involved in making this performance possible. I had a wonderful evening watching all of the school entries from across Victoria and I was so proud of our kids. We rocked.

Well done to our Year 7–9 Athletics Team who competed in the district finals. Many students placed in individual events and displayed great athleticism on the day.

Many thanks to the Parents and Friend Committee for all of their hard efforts in co-ordinating and organising the Trivia Night. Numbers of people booked tables to support the evening and fun was had by all who attended. A huge fundraising event with great outcomes.

The Father’s day stall was sold out and more goodies had to be sourced to accommodate the needs of the students. Can’t have dad missing out! Thanks once again to all of the parents who contributed to this successful event on our busy calendar.

EVERYDAY COUNTS – HERO (Here, Everyday, Ready, On-time)

School Attendance

Going to school every day is the single most important part of your child’s education. Students learn new things at school every day – missing school puts them behind.

Why it’s important

We all want our students to get a great education, and the building blocks for a great education begin with students coming to school each and every day.

If students miss school regularly, they miss out on learning the fundamental skills that will set them up for success in the later years of school.

There is no safe number of days for missing school – each day a student misses puts them behind and can affect their educational outcomes.

Each missed day is associated with progressively lower achievement in numeracy, writing and reading.

Getting in early

Attendance patterns are established early – a child regularly missing days in kindergarten or in the early years of school will often continue to miss classes in the later years and receive lower test scores than their classmates. It’s vital that students go to school every day – even in the early years of primary school.

It has been very encouraging to see all of the HERO capes (class winners for the week) being worn with pride around the school yard every day. Even our middle Years students are feeling a sense of pride and acknowledgement for their efforts.

Jamieson Way School Report

Year 5/6 Camp #2 arrives back this afternoon. We can be very proud of all our Year 5/6 students who participated in both last week’s camp and this week’s camp. They represented themselves, their families and our College very well. Touring the Victorian Goldfields was the perfect fit for their curriculum and the three days was an ideal for personal growth. The guided tour of the Bendigo mine, travelling on the Talking Tram, touring the Golden Dragon museum, visiting the Museum of Australian Democracy at Eureka, the education program at Sovereign Hill all create very rich authentic learning experiences, with the highlight being ‘Blood on the Southern Cross’ sound and light show. Our students have gained so much knowledge and increased their understandings of Australian history.

Well done to our wonderful Year 2 students who ventured off to Werribee Park today. We are very proud of them! This exciting learning experience will support these learners in producing high quality work. A big adventure for these young students!

Congratulations to our magnificent Parents and Friends for their outstanding Trivia night last weekend – this event really demonstrated the strength of our community. And it was GREAT fun!!

Again we say thank you to the P&F for their huge effort in providing the Father’s Day stall tomorrow and Friday. Our students and families love the special gifts and our dads are very spoilt with such an array of gifts.

Please return Premier’s Reading Challenge lists to our library as soon as possible. Congratulations to all our students who were presented with Mathletics and Spelladrome awards at assembly this week. Keep it up!

Will your child be a hero this week?

Congratulations to all of our award winners this fortnight!

Carranballac P-9 College will be celebrating Literacy and Numeracy Week early next term. There will be lots of fun activities for students to take part in at school. Keep an eye on the newsletter, notice boards and the College website for upcoming event details.
The newsletter is a major communication tool for parents to keep up to date with important information, events, happenings and student celebrations.

Did you know that you can subscribe to our College Newsletter?

Go to the College Website www.carranballac.vic.edu.au, under the Calendar on the right hand side, click “Subscribe”, complete your details and click “Save”. You will receive an email notification each fortnight with a link to the newsletter page of our website.

Our aim is for all parents to receive the newsletter electronically. This will cut down on hardcopy productions costs so funds can be re-distributed directly to student resources.

Parents if you subscribe to the Newsletter by the end of Term 3, you will go into a draw to win an ASUS Windows 10 Notebook.

We encourage you to subscribe!!
Kids Teaching Kids is a program whereby all students at the College celebrate Science Week each year. Each class invites another class to attend a workshop, performance or activity which is based around environmental science.

We celebrate Science Week in Kids Teaching Kids Week from Monday 5 September to Friday 9 September.

The College also hosts the KTK Western Region Conference on site during that week whereby other schools join us and take part in workshops. In 2016, Year 7 will assist with organisation at Boardwalk School on Wednesday 7 September and Year 5/6 classes conduct the second day of that conference at Jamieson Way School, on Thursday 8 September. Finally a selected group of students will represent us at the Melbourne Water KTK Conference on Monday 24 and Tuesday 25 October at Melbourne University.

Sponsor for KTK week 2016 is the Department of Environment, Land, Water & Planning.
The Wyndham Learning Festival Working Group invites you to the Opening Night of the inaugural Festival. Proudly sponsored by Avalon Airport.

We are very excited to launch the first ever Learning Festival in the City of Wyndham. This festival is highlighting the breadth of opportunities and benefits of lifelong learning in our community.

**Guest Speaker:** Maxine McKew

Complimentary finger food and drinks on arrival

Well done to those students who have already completed the Victorian Premier’s Reading Challenge. The Challenge ends shortly so if you are not yet finished, keep reading!

The College has a good selection of Reading Challenge books for all levels, available for borrowing from our Libraries. Look for the books with the colour coded Victorian Premiers Reading Challenge labels and you will know these are part of the challenge booklist.

The colour coding is as follows:

<table>
<thead>
<tr>
<th>Year Level</th>
<th>Colour</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prep – 2</td>
<td>Yellow</td>
</tr>
<tr>
<td>Year 3 – 4</td>
<td>Green</td>

<td>Pink/Purple</td>
</tr>
<tr>
<td>Year 7 – 8</td>
<td>Orange</td>
</tr>
<tr>
<td>Year 9 - 10</td>
<td>Blue</td>
</tr>
</tbody>
</table>

Participating students please send your reading record sheets to your Library regularly so that your progress can be recorded.

*Reading records need to be completed and given to Library staff by Wednesday 31 August to allow time for all data to be entered. The challenge officially ends on Friday 9 September*
Can Saver Plus assist you with school costs?

Join Saver Plus and match your savings, dollar for dollar, up to $500 for educational costs including:

Sport Update

On Friday 26 August, students from Jamieson Way and Boardwalk represented Carranballac P-9 College in Year 7 Basketball and Table Tennis.

All teams represented the College with distinction and games were played with skill, spirit and sportsmanship.

In a 12-team competition the Boys Basketball squad won 3 out of 4 games in their pool, just missing the semi-final game but came 6th overall. Well played boys.

The Girls Basketball team also performed strongly and won 2 out of 4 games in an even pool round. With a bit of luck in the first game we could have made it to the finals.

The Boys and Girls Table Tennis teams also performed creditably with the Boys finishing 2nd and the Girls 5th overall.

Year 9 Sport & Recreation Elective—Victoria University Fitness Centre gym sessions:

The Year 9 students involved in the Sport & Recreation elective have been developing their understanding of how to develop and implement basic strength programs at the VU Fitness Centre in Werribee. This has involved sessions with qualified gym instructors where the students are required to participate in a basic warm up, then work through personal programs with a ‘buddy’. Students have really enjoyed this program and have begun to develop their knowledge of which exercises are appropriate for developing different muscle groups.

Pre exercise instruction  Seated leg press  Chest press  Preacher curls
Cardio machines  Assisted instruction & ‘spotting’

Stretching component of the session was an important ‘cool down’ part of each session. A goal for each student is to improve their flexibility for their general health and well being.

Today we have a number of Year 7, 8 and 9 students representing the College in Athletics. We wish them well.
Wow! What a night we had!

Thankyou so much to everyone who contributed to the evening with their time, talents and donations, it was magnificent! Fabulous atmosphere, great company, curly questions and plenty of fabulous participation, not to mention the amazing Viktor & Ivanka, our Russian compere and quiz master!

It was fantastic to spend the evening with you all, we sincerely hope you had as good a time as we had, we’ve certainly had some wonderful feedback so far.

Thankyou to our 128 contributors and the many anonymous donations we also received through the tub at the school office. Without your assistance, we could never hold an event such as this.

I would also like to thank the following people;

FURNITURE SET UP/PACK UP
Paul, Gavin, Sacha, Ron, Bec, Sam, Tony, Valetta, Dave and Jim for all their help with the unenviable task of setting up the chairs and tables on Friday and Paul, Gavin, Bec, Adam, Dave, Sam, Tony, Thomas, Ollie and Dempsey for their help cleaning up Sunday morning after the fact!

SATURDAY PREP
The trivia team and our helpers, Will Trease-Gordon, Karen Spriggs, Valetta Johnston, Chloie Johnston, Carly Janes & family.
I’d also like to extend our thanks to Tony Gercovich for scoring, Nicole Pickersgill for operating the eftpos machine for us in her own time and to Michelle Gardiner and Tony Rendall for providing such excellent musical entertainment.

The best news of all, we raised over $13,000!!

Thankyou once again, on behalf of the P & F trivia team, we can’t wait to do it again...in at least 2 year’s time!
It’s been great fun working with everyone once again, please think about getting involved with the P & F and get on board for the next one!

Cheers, Melissa & the Trivia Team

Laura - “Amazing book!!! We received our copy this week & even just after the 1st reading my son felt calmer & in a better frame of mind to be able to handle his anxiety at school...he is reading the book daily to me now. Such a simple, kid friendly way of explaining such a common issue amongst kiddies....thank you Tanya. XX”

Colette - “My mother in law purchased this book and it’s been wonderful. It helped my 6yr old talk to us about her anxiety at school. She went from pulling at me and screaming every day to simply dropping her off by the gate. I recommend this to everyone. A valuable resource.”

Monique – “Just got our copy today – amazing – I have a 9yr old with anxiety – she was happy that someone ‘got it’ - love it. Will be ordering another copy for her school too! Thanks Tanya.”

Hayley – “Just ordered another copy for my stepdaughter to have at her other home. Her sleeping has improved and her communication too! We need a copy on hand in both homes!”

Year 3/4 Parents are invited to an Expo!!

Our awesome Year 3/4 students across Carranballac P-9 College have been enthusiastically working on a Project by researching and preparing a booklet, together with a Diorama on their chosen Australian Animal.

On Monday the 12th September, these excited students will be able to showcase their Dioramas as well as their information to the parents, between 2:30pm – 3:00pm (at both Boardwalk & Jamieson Way Schools).

We will be holding this expo in our classrooms and parents are free to move around from class to class to enjoy the fantastic work our amazing Year 3/4 students have done this Term. There has been a lot of researching, report writing and collaborative learning happening throughout this Term and our students (and teachers) can’t wait to share their experiences!!!
