Director's Report

A note from our College Director, Brendan O'Brien

Dear parents and community members:

Congratulations to our Parents and Friends team. Words are unable to appropriately describe the jubilation one feels after such a successful College FAIR. To Melissa Turner, Paul Janes, Gavin Tabart, Yvonne Cristiano, Paul Ross, Caroline Harding, Leanda Etherington and special thanks and great support from our co opted member Valetta Johnston! In addition, to our fabulous supporters, well done you deserve every word of praise that can be heaped on you.

From the significantly complicated set up with lights, power, gazebos, hay bales, food stalls, rides and entertainment, to the support from LJ Hooker and other sponsors (raffle prizes) and families who baked such wonderful delights (provided for the event), we are incredibly appreciative of your valuable contributions.

Add in our incredible Food Tech team, Master Chef students, phenomenal music department and rock bands, guest singers and musicians, canteen staff, staff on first aid and so many staff in attendance, it is no wonder that we ended up with a high class event that we can continue to rave about for some time.

Thank you to our Carranballac families for your strong support, the outstanding conduct of your children on the evening and the many contributions you have made behind the scenes. It is pleasing to note that our ride and food vendors praised the community for their excellent demeanour and support and are keen to return with additional fair rides and stalls in 2018.

QUOTE: ' This is the best crowd we have ever provided for'. Everybody should be extremely proud of this magnificent event.

A concern has been raised about the STRAW bales used at the FAIR. Please note that the bales are

STRAW and not HAY and they will be spread to the garden beds over the coming weekend. If a parent would like to volunteer their time to start the process of mulching in the next few days please inquire at the front office of Jamieson Way.

We continue to grow the pride and positive culture of the College in all that we do. Keep up the good work everyone.

ATHLETICS - once again thank you to our community for understanding the need to cancel last Friday and move that forward to the 6th of June. We have our fingers crossed for a much improved weather forecast on the day. The weather for the Monday cross country event was perfect. To Mrs Huell (team leader) and Mr Celic thank you for the complicated organisation that goes on behind the scenes.

CAMPS - it is a busy time with camps happening on an almost weekly basis. I would like to congratulate Mr Beiers and each of our staff teams on camp for their attention to detail and high level of care for our students whilst they are away on their educational journeys. These are certainly opportunities to enrich our students education.

Have an exceptional fortnight and please encourage Carranballac families to 'eeeeee' connect.

Have a great fortnight.

Boardwalk School Report

Principal Ros Myors gives her insight into the last fortnight at Carranballac College Boardwalk Campus.

What a wonderful night we had at the Country Fair on Saturday. There was a huge crowd and there was a lovely feel to the evening as I walked around enjoying the many food options, watching our young ones on the rides and of course, our marvellous musical talent. Congratulations to our amazing Parents and Friends committee. We appreciate the huge amount of work that is required to run such a large scale event. I hope this can be a regular, perhaps annual event.

Our Year 5/6 Bendigo and Ballarat camps have been very successful. Mr Beiers is to be congratulated on arranging an excellent, extensive Education program and I thank the teachers who accompanied our students.

It was necessary to cancel our Year 7-8 Athletics carnival due to predicted rain. The date for this event is now 6th June. You can pop down to the Newport Athletics Track if you would like to see your child compete. This Friday, May 26th is the Year 3-6 Athletics day at Newport Athletics Track. I suggest students and parents rug up as this venue can be very cold. Do not forget that you should have pre-ordered your sausages for this day or students can bring their lunch and a snack. Remember to bring your drink bottles - clearly labelled.

I received excellent reports of great sportsmanship and behaviour from our year 7 sporting students last week. Well done to these students. Our year 8 students will compete this Friday.

Our lovely Barista café program continues to grow in popularity. Parents meet in the Food Tech room on Monday mornings prior to assembly. Why not pop in for a fresh coffee made by our year 9 students? A gold coin donation and predisposition to friendly conversation are all that is required!

I believe the Middle Years winter uniform soft-shell jacket is now available from the PSW store in Old

Geelong Road Hoppers Crossing. College beanies are also available from this store.

Apart from the sheer joy of exercising the imagination, research shows reading for pleasure improves literacy, social skills, health and learning outcomes. The teaching of **Reading** is the cornerstone of our instructional practice here at school. However, student success in **Reading** is greatly improved when it is promoted, celebrated and embraced at home. Please make the time to include reading to and with your child a daily practice in your home.

Jamieson Way Report

Principal, Sandy Naughton gives her insight into the last fortnight at Carranballac College Jamieson Way Campus.

Congratulations to our AMAZING Parents and Friends for such a magnificent effort in the Carranballac P-9 Country Fair. Our families and students are still talking about the fun they had. What a fantastic family time! Life long memories are formed at such family events. Thank you to all who gave so much of their time for our students and this community.

A huge THANK YOU to our volunteers who were acknowledged by the college during an afternoon tea last Wednesday to recognise National Volunteers Week. Our college appreciates all the effort, enthusiasm and energy our parents and grandparents volunteer to support our students. So many people give up their time for our children, and this makes us a stronger community.

We are SO proud of our Foundation students who were very well behaved on their big excursion to the 'movies'. Our Foundation students went across by bus to the College PKK Performing Arts Centre to watch the movie 'Toy Story'. They were extremely excited by this important event, with personal growth and quality literacy work resulting from this adventure.

Our Year 2 students were lucky enough to have a basketball clinic at school during their Phys Ed lesson. This clinic was put on by basketballers from Altona Stadium, to introduce and promote the game to young children. We may have future national basketballers in our community!

Our Year 3/4 students are off on their 3 day camp next Monday. This is such a big adventure and learning experience for our students, and the program has been carefully planned to maximise the fun and the learning. Our teachers are looking forward to this camp as well, and are just as excited as our students! If you have any questions, please ask your child's teacher.

Good luck to all our competitors in the Jamieson Way Years 3-6 Athletics carnival on Thursday - they will all be potential future Olympians! Please remember the re-scheduled Years 7-9 Athletics carnival will be held on Tuesday 6th of June.

Daily reading is vital for your child. Well done to all those students involved in the Premier's Reading Challenge – keep reading!

Classroom Helpers Program 2017

As part of our Early Years Literacy and Numeracy program in our College a **Classroom Helpers** program will begin shortly. The **Classroom Helpers** program provides parents with understandings about the organisation of the Literacy and Numeracy blocks in the classroom together with insights into the strategies we use to assist children with their learning.

As part of our Early Years Literacy and Numeracy program in our College a **Classroom Helpers** program will begin shortly. The **Classroom Helpers** program provides parents with understandings about the organisation of the Literacy and Numeracy blocks in the classroom together with insights into the strategies we use to assist children with their learning. Upon training, Classroom Helpers may assist in the classroom under the direction of the teacher to support them by working with small groups of students and being a role model for learning.

It is the practice of this College that Classroom Helpers do not work in their own children's classrooms.

Classroom Helpers Sessions (Please sign in and meet at the front office)

- Session 1 Boardwalk Campus 9am-10am Wednesday the 21st of June
- Session 2 Boardwalk Campus 9am-10am Wednesday the 19th of July
- Session 3 Jamieson Way Campus 9am-10am Wednesday the 26th of July
- Session 4 Jamieson Way campus 9am-10am Wednesday the 3rd of August

Sessions cover an outline of how children develop, expectations of Classroom Helpers assisting in the classroom and basic strategies for supporting students with Speaking and Listening, Reading, Writing and Numeracy.

Classroom Helpers may be asked to help in any Early Years classroom, depending on their availability and timetable constraints. However, your own arrangements will need to be made for toddlers while you help in the classroom.

Once trained, Classroom Helpers will be required to undergo a **Working With Children Check**. (No cost for volunteers)

Please complete the online application and then take your application to Australia Post. The list of newly trained parents will be presented to our School Council as a pool of parents who are recommended to support in classrooms. Upon completion of the program you will gain a certificate that is recognised in all government schools across Victoria.

Please contact Deb Way or Alana McIntosh if you have already completed the training at another school or in previous years and wish to be a Classroom Helper at Carranballac College in 2017. Please complete the reply slip and return it to school as soon as possible.

Looking forward to working with you!

Alana McIntosh (Early Years Assistant Principal, Jamieson Way)

Carranballac Country Fair

CARRANBALLAC COUNTRY FAIR 2017– IT'S A WRAP!

Wow! Thankyou Carranballac family, the Country Fair completely exceeded our expectations and the feedback and enthusiasm has been overwhelming! The weather was perfect, we couldn't have asked for a better day at this time of year!

The vision began with an idea and it all centred around those clear light bulb type party lights..."That could get expensive Mel" Paul Janes said to me, and yet with the help of FESTOON LIGHTING MELBOURNE www.festoonlightingmelbourne.com.au he somehow made it happen!

The wonderful achievement that was our Fair, came about from a truly hard working and skeleton crew, who absolutely must be acknowledged. Please take a moment to thank the team members besides myself, if you run into them in the school yard!

COUNTRY FAIR TEAM

Melissa Turner : Founder of Bright Ideas at P & F and Event Coordinator

Paul Janes : Fair Sparky, Problem Solver and LED specialist

Gavin Tabart : Site Manager, Straw Bales locator and Live Games Coordinator

Paul Ross : Jelly Bean Picker & Games Stall Coordinator

Caroline Harding : Donation Wrangler and Melissa's 2IC

Yvonne Cristiano : Ms "I don't wear fluoro jackets" Bake Stall Coordinator

Leanda Etherington : Donation Wrangler. Motto: "I'm heavily pregnant with not enough to do, why don't I help organise a Fair"

Valetta Johnston : BIG problems solver & quick decisions department head, who must surely wonder how she got roped into this, when she didn't actually volunteer for the gig!

SO many people to thank!

Firstly, the event would not have been the success that it was, nor even come together, without the tremendous support of Natalie Newdick and LJ HOOKER, POINT COOK. No problem was too great, "No problem, take it off your list" Nat would say to me (I love her!!)

This is followed closely by a much appreciated thank you to all of our sponsors and the local businesses who supported our event. Please see the separate list of these and consider giving them your business where able.

The following lovely people from our school community contributed with donations for the Raffle – Thank you to; Laura Baker, Ros Grylls, Ingrid Ruiz & Sandra Tomas.

Next, can I just say...move over to the CWA! Who could have predicted the incredible response to our call out for some baked goods for our wee Carranballac P & F Bake Stall?! There really are no words, it was mouth-wateringly enticing, beautifully presented and artfully arranged by Yvonne and everything sold like hot cakes!!

Thank you so much to all the wonderful bakers out there, you've set the bar and I can't wait to see what you produce next time!

From the College staff, thank you in particular to Barry Barnes, Stephen Sullivan, Ros Grylls, Steven Montgomery and many other members of the music and facilities departments, who were instrumental (pardon the pun) in our success and provided fantastic support and enthusiasm for this project.

To Brendan O'Brien, THANK YOU! It is wonderful to work on an event for the college community where support and enthusiasm is evident from the top down. You set a wonderful tone for our college and it is a great place to be.

We greatly appreciated the assistance of staff who volunteered to man the first aid tent for the evening and we would like to thank our P & F liaisons Glenda Kauta and Bek Pelar for their assistance and for updating the staff in regards to all things Country Fair! We'd also like to thank the office staff for their assistance with orders and photocopying and college staff who showed their support by coming along to enjoy the fun at the FairJ

On Fair day, we were supported by many quiet achievers who gave of their time and talents with setup and pack up, all day and right into the night till stumps!

In particular I would like to mention;

Andrew Gordon (also the man behind our amazing advertising flyer!)

Ros Grylls, our amazing canteen manager, Bake Stall aficionado and Fair friend!

Sammy Burke, Megan & Peter Gardiner and all the Year 9 students who worked in the Carranballac Cafe.

Then there was the army of volunteers who put up their hand to man the stalls, some we knew and some were brand NEW to us! Thank you to these hard workers who didn't know what had hit them!!

Sacha Delimitros, Jo Hansen, Deanne Stark, Kylie Beasley, Kim Green, Eulise Silvera, Marg & Dina Sayers, Moira & Phil Withers, Fiona King, Laura Baker, Kathryn Hydes and Lois Foster.

Finally, our sincere thanks goes to the amazing performers; the VET 1 & 2 students, Michelle Gardiner, Tony Rendall, Brittney Hansson, Colter Barstad & Minor Sensation.

Thankyou everyone who attended and for all your wonderful comments of appreciation, it makes all the late

night totally worth it!

Phew! That was like writing the thank you's for a wedding speech! It just goes to show though, that it takes a village, and that's what we are.

Melissa, OUT!

For the next couple of weeks, the Year 2 students at both Boardwalk and Jamieson Way will receive free basketball clinics from Ian Lowe who works for the Altona Basketball stadium. These clinics are aimed at developing the basic skills involved in basketball including dribbling, passing, pivoting, court movement and shooting. It was great to see so many students enjoying this clinic and trying hard to apply these skills in minor game situations.

Carranballac represents at Wynspeak

On Tuesday the 9th of May, four Year Nine students represented the college in the Wynspeak Public Speaking Competition. This competition aims to enable students to develop their skills in English, public speaking and speech preparation. A community

project jointly run by the Rotary Club of Hoppers Crossing and the Hoppers Crossing Apex Club and supported by Rostrum Victoria Wyndham City Council Youth Services.

On Tuesday the 9th of May, four Year Nine students represented the college in the WYNSPEAK Public Speaking Competition. This competition aims to enable students to develop their skills in English, public speaking and speech preparation. The competition consists of two separate sections, a prepared five minute speech on a topic of the speaker's choice and a short notice speech of two minutes' duration on a topic provided to the speaker on the night.

The Year Nine students, Joshua from Boardwalk, Ashlie, Holly and Xander from Jamieson Way all did a fantastic job competing amongst a very high quality field, presenting their speeches and show casing their public speaking skills by engaging and entertaining the audience. The students spoke about diverse a range of topics: Ashlie reminded us to cherish our childhood, Xander gave us an amusing insight into being a triplet, Holly made the audience carefully consider the impact of bullying, while Joshua posed one of life's great questions, crunchie cookies or soft chewy ones.

The most challenging part of the evening was the impromptu section. Students only had four minutes to prepare a responses to their selected topic. All four students all did a great job.

The students will not only be participating in their relevant age groups, but their school HOUSE teams, so we want to see lots of colour with them dressing up in their team colours. Coloured hairspray and face paint is permitted, however please ensure all applications are applied at home. Other good ideas include coloured hair ties, socks, nail polish etc. As you can imagine, organising all the events successfully requires lots of management. If you are able to assist at any of the above carnivals as a parent helper (WWCC required), then please contact Carolyn Huell (PE/Sport Teacher at Boardwalk – 9395 3533) as we would certainly appreciate your help in any way!
