Word of the Week: Write a definition for the following.

Estimate: ________________________________

Last Week’s word: Denominator - the bottom number in a fraction showing the number of parts the whole is divided into.

Middle Years:

The average monthly rainfall for 6 months was 28.5 mm.

If it had rained 1mm more each month what would the average have been?

By how much would the total have been increased in six months and by how much would average have been increased per month?

Early Years: Mathematical challenges for able pupils in Key Stages 1 & 2 – DfEE 0083/2000

Gold bars

Pete is a pirate.
His gold bars are in piles.
He can move one or more bars at a time.

He made all the piles the same height.
He made just two moves.
How did he do it?

Family Fun Activity

Make a board game: Create your own family board game. Draw up a board game on a piece of cardboard, make up the rules and find interesting things around the house to use for game pieces.
