# PRINCIPALS' REPORT

JUSTINE RYAN, JULIET TAYLOR  
& JANELLE BARKER

Dear Families,

## **Welcome back to Term 4!**

It has been lovely to welcome back all of our students after the holiday break. We are very proud of the way they have settled in for this final term for 2023. A reminder that this term we require students to wear a sun smart hat during recess, lunch and physical education classes. Please ensure your child has a hat to wear to school to allow them to participate in these outdoor activities.

## **2024 Class arrangements**

This year we are providing parents with the opportunity to share any important information with us, so that we can make a successful grade placement for your child in 2024.

When placing students into classes for 2024 we take into consideration the following;

- Teacher judgement on academic, social and physical development of the child.
- Academic and social mix of the class.
- Important parent information.

Whilst we are encouraging parents to share important information with us, we wish to remind parents that this process is not about choosing a teacher. The process enables classes to be developed using a variety of important information.

Should you have any important information you wish to share with us, please email us by Friday 20th October: [carranballac.p9@education.vic.gov.au](mailto:carranballac.p9@education.vic.gov.au)

## **Secondary Learning Tasks and Reports**

Over the course of the year, the college has been making the shift from end of semester reporting to continuous reporting for our secondary students. You may already be aware of this progression and viewing your child's learning tasks online. This will continue throughout this term with the learning tasks being compiled to form the end of semester report. The report will also include updated progression points against the Victorian Curriculum, a reflection of students' efforts and behaviour and a summary statement from the homegroup teacher. Primary reports will continue as normal at this stage.

## **Colour Fun Run**

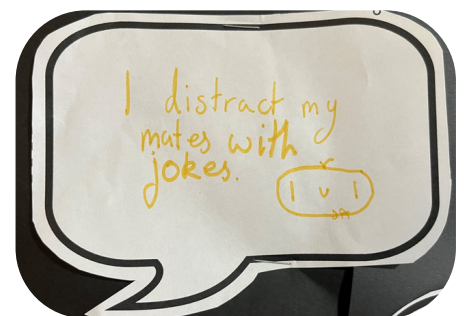

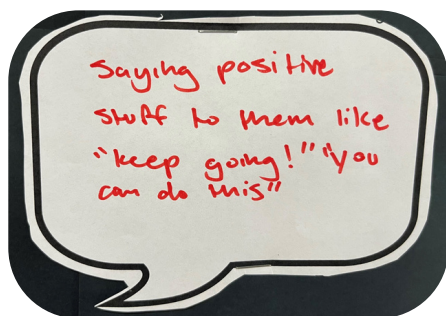

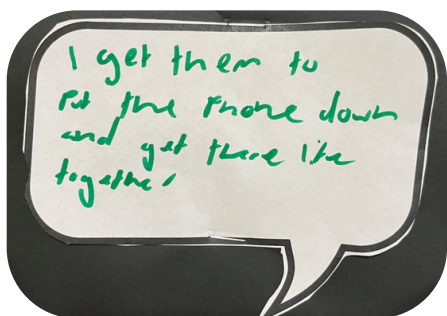

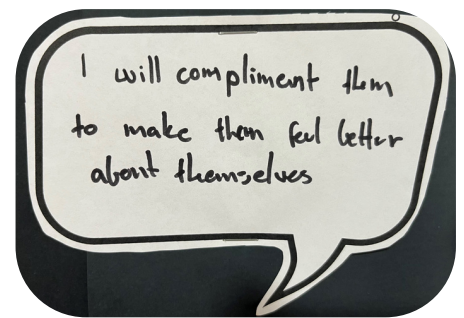

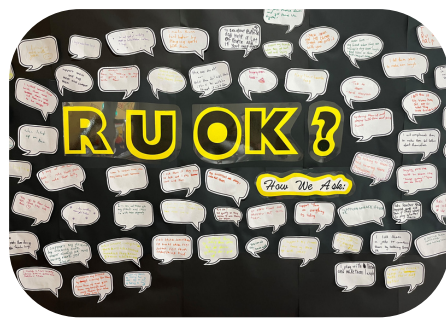

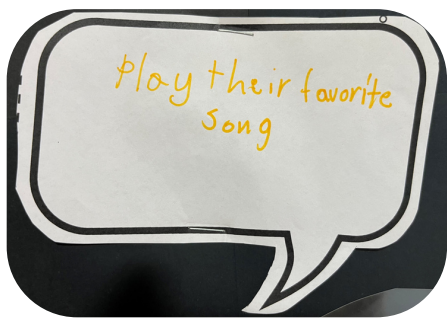

This year we will once again be holding a School Fun Run Crazy Colour Day. This will be held on November 10th with all details and information available further into the newsletter. Some of you may remember this from last year as it was such a fun event for all the students and some staff and parents! The fundraising aspect also saw many students receiving some amazing prizes for their efforts. We look forward to hosting this event at both campuses and would like to thank the Parents and Friends group for their organisation of this for our school.

## Primary Swimming

Our primary swimming program began last week and will continue for the next month across our Foundation to year 6 classes at both campuses. Our students have thoroughly enjoyed the program and are obtaining vital skills to support them to engage safely in water activities as the weather warms up! Please ensure your child's belongings are appropriately labelled so that we can support them to organise themselves over the course of the program.

## RUOK? Day

R U OK? is a public health promotion charity that encourages people to stay connected and have conversations that can help others through difficult times in their lives. When we held 'R U OK?' Day last term, we asked the students how they support their friends when they are struggling. Our wonderful students showed incredible creativity and compassion in their answers. We have created a mural which showcases their ideas.

# CHANGES TO LATE ARRIVALS PROCESS

---

At Carranballac College we encourage all students to arrive at school before 8.45am so that they are ready to learn and have time to socially engage with their peers. The first 15 minutes of every day give your child/ren the best chance to succeed as they practice core skills.

From the beginning of this week (Monday October 9th) students in years 3-9 who have arrived late to school (without a family explanation), have been supervised for 15 minutes in the library at recess. Students have been able to use this time to catch up on any work that they may have missed by arriving late in the morning.

We have already seen an encouraging reduction in the number of students coming late each day. We appreciate your support in ensuring your child/ren get to school on time every day and your support in implementing this initiative.

**Please don't hesitate to contact the office if you anticipate your child/ren will be late or if you require confidential support in maintaining your child/ren's attendance.**

# FOOD TECH NEWS

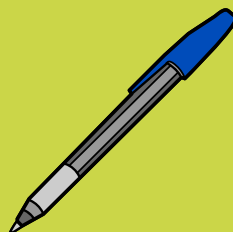

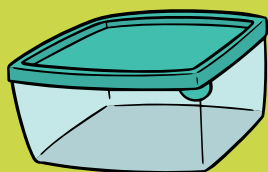

## Welcome back to Term 4 Food Tech!

Students have eased their way into food tech already and we have had some fun making and decorating cupcakes in both Year 7 and Year 8 classes with a focus on design and the fundamental uses for ingredients used in baking. See the recipe on the following page for you to try at home.

Year 9 students tried something different and produced Rice Paper Dumplings using mushrooms and tofu as the filling. This lesson provided students with the skills to make these at home and encouraged creativity by experimenting with ingredients.

## A REMINDER TO ALL STUDENTS: PLEASE BRING TO EVERY CLASS

- Your container (with a fork or spoon as required)
- Your protective shoes (unless you have provided a note from home exempting you)
- A pen
- And please ensure your hair is pulled back and your nails are clean and short (Fake nails and polish are not permitted at school)

Please make sure you are prepared for your class and adhere to the rules mentioned above for health and safety and minimizing disruptions during your cooking time.

# CUPCAKES

**SERVES 12**

Preparation Time: 15 minutes

Cooking Time: 20 minutes

## INGREDIENTS

### Batter

- 1 cup SR flour
- 65g butter
- ¼ cup sugar
- 1 egg
- 100ml milk
- 1 teaspoon vanilla

### Frosting

- 65g butter
- 1 cup icing sugar, sifted
- 1 Tablespoon cocoa powder (optional) sifted
- 1 Tablespoon milk
- 1 teaspoon vanilla
- Pinch salt

## METHOD

### Cupcakes:

1. Preheat oven to 180°C.
2. Line 12 muffin cups with liners.
3. Using electric mixer, beat butter with sugar until light and fluffy.
4. Beat in egg, then add vanilla.
5. On low speed, gradually add flour alternately with milk and scraping bowl as needed in between additions.
6. Scoop into prepared liners and bake for 20 mins or until tester comes out clean when inserted into centre of cupcakes. Cool on wire rack.

### Frosting:

7. Beat butter until light and fluffy. With mixer on low-speed beat in icing sugar, (cocoa powder if using), milk, vanilla and salt. Increase speed to high and beat for 2 minutes or until light and fluffy.
8. Decorate cooled cupcakes using piping bag or spoon icing onto cupcakes.

Dear Parent/Guardian,

We will be holding the *School Fun Run's Crazy Colour Day* as a major fundraising event this year on **FRIDAY 10TH NOVEMBER!** We're doing it to raise money for **OUTDOOR EQUIPMENT and AIRCONDITIONER MAINTENANACE.**

### About the Day

The *Crazy Colour Day* is all about Fun! It will be a huge colourful mess and is undoubtedly one of the most exciting days on our school's calendar, with everyone's participation the aim, so please make sure they attend on the day and cheer the other kids on!

### How Does My Child Fundraise?

Firstly, go to [schoolfunrun.com.au](http://schoolfunrun.com.au) and create a student profile page. Everything to do with your fundraising revolves around this page.

Students who raise just \$10 will be able to choose a prize! The more they raise, the better their reward – don't forget to check these out in the sponsorship form! We have educated students on the dangers of door knocking without supervision, and we encourage you to reiterate this at home. The great thing about online fundraising is that you can share the link to your child's profile with friends and family via email, SMS and Social Media.

### Online Fundraising

The easiest way to help your child raise money is through online fundraising, where students raise an average of \$120. On top of raising more money, it's also safer and easier than doorknocking and you don't have to worry about handling money! To start fundraising online, go to your student profile page at [schoolfunrun.com.au](http://schoolfunrun.com.au) and share your online fundraising link.

### Competition Time

To get our event off to a flyer, we're starting our Colour Day with a super easy competition! The class with the most online profiles registered by **5pm Monday 16th October** will get to run first on the day! To help your child's class win, simply create your profile at [schoolfunrun.com.au](http://schoolfunrun.com.au).

### **Getting Involved**

Not only can you support the school and students with your sponsorship – but you can join in on the fun! We would love to welcome parents and family members to attend the *Crazy Colour Day*. If you would like to volunteer on the day, please contact me on the details below. I can't wait to see you at our event!

### **Ordering Prizes – ALL PRIZES MUST BE ORDERED ONLINE**

Please contact your school's coordinator if this isn't possible.

Prizes MUST be ordered between the **1st to the 8th November**. Simply visit [schoolfunrun.com.au](http://schoolfunrun.com.au) to create / log into your Profile Page between these dates. Then click on the 'CLAIM YOUR PRIZE' button and follow the prompts. If you have any questions, please contact the *School Fun Run* team on 1800 FUN RUN and they will gladly assist!

We look forward to a great event
