Dear parent/guardian

2024 Parent Payments Year 6

Carranballac P-9 College is looking forward to another great year of teaching and learning and would like to advise you of Carranballac P-9 College's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to purchase literacy, numeracy, art, music & sporting equipment and resources; develop the school grounds including enhancing greenspace via planting days; maintain our school buses; upgrades to buildings and grounds – painting, re-carpeting and purchase of new furniture.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Regards

Merridy Patterson
College Director

Matt Nielsen
School Council President
