Dear parent/guardian

2025 Parent Payments Foundation

Carranballac P-9 College is looking forward to another great year of teaching and learning and would like to advise you of Carranballac P-9 College's voluntary financial contributions and our BYOD expectations for 2025.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. However, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through, voluntary contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer our students.

Within our school this support has allowed us to purchase for example books for classroom libraries, maths equipment, art supplies, literacy, numeracy, art, music equipment, sporting equipment and resources; develop the school grounds including enhancing greenspace via planting days; maintain our school buses; upgrades to buildings and grounds – painting, re-carpeting and purchase of new furniture for classrooms. Through our voluntary contributions we were also able to supplement incursions for students and resource lunch-time clubs and our School Wide Positive Behaviour Support program.

Carranballac P-9 College operates a Bring Your Own Device (BYOD) program. Parents/carers are encouraged to supply a device for your child to bring to school. Our college's 'Acceptable Use of Digital Technologies' document is attached to this notification. Please note that to facilitate student learning we recommend the following:

- Foundation to Grade 4 BYOD Encouraged
- Grades 5 & 6 BYOD Recommended
- Years 7 to 9 BYOD Highly Recommended

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Regards

Justine Ryan

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
